The goods and services shown inside are those we can provide to our customers. You may choose only those items you desire. However, any cremation arrangements you may select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Price is important. NO ONE SHOULD PAY MORE THAN IS NECESSARY FOR ANY SERVICE. You can be assured that our charges are based on actual expenses and that our total prices for cremations, urns and outer containers are very competitive. Even more important, you receive courteous, personalized service from a staff dedicated to meeting your needs; people who will take the time to listen and make sure that every detail is followed to completion.

This list does not include prices for certain items that you may ask us to pay or buy for you, such as coroner fees, state fees, cemetery property, obituary notices certified copies of death certificates, etc. The prices for those items will be shown on your bill or the statement describing the cremation goods and services you selected.

Prior to drafting any contract for goods or services, the responsible party of the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

Effective date 05/15/2018 ~ prices subject to change without prior notice.

Please telephone for additional information and instructions.
